

NOW HIRING

AFTERMARKET REGIONAL SALES MANAGER

Ajax Tocco Magnethermic® is seeking an Aftermarket Regional Sales Manager to develop new business and build on relationships with current customers. The successful candidate will plan and execute all duties related to the aftermarket services of induction melting and heating products in a specified territory, including but not limited to: induction melting furnaces and coils, channel furnace inductor assemblies, induction heating and forging coils, power cables, System Reliability Service (SRS) sales, etc.

The candidate should possess a Bachelor's Degree and have knowledge of the foundry, forging, and heat treating industry.

Position offers a competitive salary and benefits package and involves frequent travel. If you want to play a key role with a growing industry leader, please email resume and salary history to HR@ajaxtocco.com, or mail to:

General Manager – Aftermarket Sales, Ajax Tocco Magnethermic
8984 Meridian Circle NW
North Canton, OH 44720

An Equal Opportunity Employer

Ajax TOCCO Magnethermic, a Park-Ohio Holdings Corporation.

Ajax TOCCO Magnethermic® designs and manufactures world class induction heating and melting equipment for the foundry, heat treating, bar & tube (OCTG & API), steel processing, strip heating, forging & forming, and vacuum induction melting industries. In addition, we provide a range of services including laboratory process development, preventative maintenance, equipment repair and parts, coil repair facilities, and installation services.
